Letter Vacating Final Office Action

In a phone interview with applicant on September 26, 2006, applicant pointed out that the second restriction requirement mailed on October 20, 2005 is improper. It appears that in the Interview Summary Record of August 1, 2006 that the examiner intended to reconsider the merits of the present application including the second restriction requirement. Therefore, the final office action mailed on June 30, 2006 is hereby vacated, and the application forwarded to the examiner for further review.
